Re: Certificate of Correction

Consideration has been given your request for a certificate of correction, for the above-identified patent under the provisions of Rule 1.322 and 1.323.

Respecting the alleged error(s) in your request, the inventors' addresses are printed in accordance with the Declaration or Oath, and in this particular situation, is printed in accordance with the present style for printing, in that only the city *or* another political unit (if no city is indicated) *and* either the state *or* country are printed in the printed patent, if the patent has an assignee. Bethel, CT is a city and state located within the Country of United States of America, and therefore represented by the alphabets in parenthesis as (US) as the present style. Therefore, no correction is in order here under the provisions of Rule 1.322.

Further consideration will be given concerning this matter upon receipt of a request for Reconsideration (reconsideration should be accompanied by supporting document(s) such as, amendment, postcard receipt, 1449/892, etc.) and should be filed and directed to Decisions & Certificates of Correction Branch under the provisions of 1.323 accompanied with the appropriate fee of \$100.00 if necessary.
